

## L.U.C.A.S Performer

If we were compelled to reinvent L.U.C.A.S today, the outcome would look suspiciously like L.U.C.A.S PERFORMER.

Courtesy of the latest neodymium speakers and PWM power amp technology, it is even more compact and lighter than its popular predecessor. And its amazing sound quality and powerful performance come at an astonishingly affordable price. From soothingly sweet dinner ambience to a big bang for rock-the-house party time, L.U.C.A.S PERFORMER does it all with style. Bringing to the table everything that made its forebear the entertainer's best friend, it is truly a plug-and-play proposition, sparing your nerves and saving time. This latest generation is an evolutionary advance, a perfected version of the original L.U.C.A.S. Weighing in at several pounds lighter, high-quality speakers sporting neodymium magnets conjure a uniform soundscape that remains gorgeously smooth from low to high volume levels. The digital power amps (PWM) also lighten the load. Endowed with extremely fast signal processing capability and an impressive 900 watts, they drive L.U.C.A.S PERFORMER to deliver top-drawer audio quality.

**No matter how you entertain, L.U.C.A.S PERFORMER is the powerful sidekick you want on your team.**

### Facts & Features

- Two satellites, each with 8" neodymium speaker and 1" CD horn
- 500-watt RMS digital power amp for the 15" neodymium subwoofer
- 2x 200-watt RMS digital power amps for the satellites
- HK Audio MonoTilt™ for optimum sound-to-audience alignment
- 15" subwoofer in an enclosure factory-equipped with casters
- Total weight of the system: 44 kg/ 97 lbs.

## L.U.C.A.S Performer

Model	L.U.C.A.S PERFORMER Satellite
Product Class	L.U.C.A.S. - The next Generation
Power-handling nominal (RMS)	200 W RMS
Frequency response +/- 3 dB	130 Hz-19 kHz
Nominal impedance	8 ohms
Sensitivity 1W	102 dB
Maximum SPL, @ 10% THD	124 dB@10% (Half space)
Connections	1x Speakon NL 4
Low/ Mid Speaker	1x 8" Neodymium
HF Driver	1"
Horn characteristics	60° x 40° CD horn
HF protection (passive)	dynamic protective circuit
Crossover frequency	2,4 kHz, 12 dB/ oct.
Pole mount	MonoTilt, 36 mm
Handles	1, integrated
Enclosure	MDF
Grille	metal grille with acoustic foam
Finish	acrylic painture, black
Dimensions (WxHxD)	26 cm x 38,5 cm x 28,5 cm
Weight	7,2 kg/ 15.8 lbs.

Model	L.U.C.A.S PERFORMER Subwoofer
Product Class	L.U.C.A.S. - The next Generation
Frequency response +/- 3 dB	47 Hz - 130 Hz
Sensitivity 1W	101 dB
Maximum SPL, @ 10% THD	126 dB@10% THD (half space)
subwoofer amplifier	1x 500 W / class D
Sat & Mid/high unit amp	2x 200 W / class D
Active protection circuits	Multiband-Limiter, Subsonic-Filter
Connections	2x XLR Combi Line In, 2x XLR Through, 2x Speakon Satellite Outs
LF Speaker	1x 15 Neodymium
Pole mount	M20-threaded plate
Casters	factory-equipped
Handles	2, integrated
Enclosure	MDF
Grille	metal grille with acoustic foam
Finish	acrylic painture, black
Dimensions (WxHxD)	47,5 cm x 47 cm x 58,5 cm
Weight	29,5 kg/ 64.9 lbs.

## L.U.C.A.S Performer

### HK AUDIO Protective Covers

Tailored protection for your HK Audio Active System: Made of water-repellent, extremely tear-resistant nylon, these thickly padded covers afford excellent protection for the PA en route to and from gigs. With slots providing easy access to the handles of all the cabinets, the enclosures may be carried with the covers on. Zip-fasteners seal the top unit cover completely.

### HK Audio Speaker Stand Add-On

The ideal accessory kit for satellite and fullrange speakers, the Speaker Stand Add-On Package comes with two aluminum tripod stands and two 7-metre long speaker cables with Speakon® connectors. A practical nylon carry bag rounds out the package.
